MEMORANDUM FOR: Director of Central Intelligence
THROUGH : General Counsel
SUBJECT : Request for Opinion by Comptroller General

There is attached a letter prepared for your signature to The Comptroller General of The United States seeking to have him reverse a prior ruling. In 1942 he held that an individual on leave without pay from this Agency because of a line-of-duty injury, but carried on the rolls of the Bureau of Employees' Compensation, must be penalized by having his periodic pay increases delayed by the amount of leave without pay which exceeds 80 hours within the waiting period. I feel this is unfair and unwarranted, and I strongly recommend we attempt to have the position reversed.
